

In the Supreme Court of the State of Alaska

Sigurd Rutter,

Appellant,

v.

**Donald Kluting, Keith Brady, and
City and Borough of Sitka,**

Appellees.

Supreme Court No. **S-17860**

Order

Date of Order: **9/21/20**

Trial Court Case No. **1SI-19-00093CI**

On consideration of Sigurd Rutter's 9/4/20 motion requesting the addition of other superior court cases, which is being treated as a motion to supplement the record with transcripts from other cases, and the appellees' 9/14/20 opposition,

IT IS ORDERED:

The motion to supplement the record with transcripts from other cases is **GRANTED**. The superior court indicated that it considered admissible portions of the records in the two stalking protective order cases. It specifically noted that it considered Ms. Henricksen's testimonial statements in the stalking protective order case and listened to the recording of Ms. Henricksen's testimony in her stalking protective order case. Because these materials were presented to the trial court, they may be included in the record whether or not the trial court admitted them into evidence or relied upon them.

It is the responsibility of the Appellant's transcriber to ensure that all transcripts designated by any party are received by the court on or before **11/2/20**.

Entered at the direction of an individual justice.
